

Home Inspection Training Program - BC Virtual Classroom Upcoming Dates for 2026

January 2026-September 2026

All times 6.30pm- 9.30pm PST

All the live virtual classroom dates for the program are listed on the pages below. They will be held through GoToWebinar. To receive your login ID, please click on the registration link for your course and enter your contact information. You will get an email from GoToWebinar with the login details. Keep this email safe! It will be your login for the duration of the eight classes in the course. Please note, you'll need to register separately for each course you are enrolled in – you can find each registration link with the course schedules in the pages below.

Each course is a mix of classroom and self-study. You will receive more information on the self-study portion of the course through the online portal a few days before the course begins. We recommend checking the site frequently as all updates will be posted there.

Quizzes and Exams will be timed and multiple choice. These will be done through the online portal. Each live course has the following assessment methods:

Quizzes – two, worth 25% in total (12.5% each) – submitted in class or by 11pm the following Sunday.

Midterm – worth 25% - taken in class.

Final – worth 50% - taken in class.

A final average grade of 70% or more is required to pass the course.

If you have any questions, please contact the Student Services Coordinator, Ariel Esguerra at arielesguerra@carsondunlop.com or 1-800-268-7070 option 3, option 2.

Don't forget – the Communication & Professional Practice course is completely self-study! You can do this at your own pace in the online portal at any time during your program. You will need to complete this course to graduate.
